

Linux Marathon online event

16 August 2017

A Spanish spoken event will be live-streamed via podcast related to the GNU/Linux Operative System and Open Source Projects, due to its growing acceptance among more and more users.

This event will take place on **Sunday the 3rd September from 15:00 to 24:00** (Spain UTC+2), using the following online channels and platforms:

- YouTube: <https://www.youtube.com/maratonlinuxero>
- RadioMaratón: <http://radiomaraton.ml>

The content of this Linux Marathon event will be varied. **Over 9 hours** many topics will be discussed exclusively related to the **world of GNU/Linux and Open Source Projects**.

Every area will be conducted by one or more recognized podcasters in the Spanish language GNU/Linux Communities.

This Linux Marathon podcast may represent one of the greatest and profound events of its kind. The timetable includes:

- 15:00 Welcome feat. Podcast Linux
- 16:00 Feat. Eduardo Collado
- 17:00 Feat. Yoyo Fernández and friends
- 18:00 Feat. José GDF and Dj Mao Mix
- 19:00 Feat. KDE España Podcast
- 20:00 Feat. Ubuntu y otras hierbas
- 21:00 Feat. Ugeek and Mosquetero Web
- 22:00 Feat. NeoRanger and Enderhe
- 23:00 Feat. Paco Estrada
